Everyone
deserves
a place to
feel safe

LiveWell YAP

At The Young And Prosperous Foundation, we are committed to creating environments where students feel safe, supported, and empowered. That's why we're proud to introduce our new initiative: LiveWell YAP.

LiveWell YAP is more than a program—it's a movement focused on the mental, emotional, and physical well-being of our youth. Through intentional workshops, wellness activities, peer mentoring, and community support, LiveWell YAP provides students with the tools and space they need to thrive. Our goal is to create a safe haven where students can express themselves, build resilience, and develop lifelong wellness habits.

With LiveWell YAP, we're building a culture of care, compassion, and confidence—one student at a time.

assistance completing
college applications

Offer College tours in and out the state of California

We offer 2-3 in state college
tours a year.

- Seniors are offered a free
opportunity to attend
college tours

Young And Prosperous Foundation

The year in review

Young And Prosperous Foundation 2024–2025 Year in Review

This past year has been one of growth, gratitude, and powerful impact at The Young And Prosperous Foundation. As we reflect on 2024–2025, we are proud to share milestones that represent our continued commitment to creating opportunity, equity, and empowerment for the youth and families we serve.

A Heartfelt Celebration: The Mother's Day Tea

Our annual Mother's Day Tea was a beautiful moment of unity and appreciation, honoring the strength and love of the mothers and caregivers who support our young people every day. Students and families came together in celebration, creating unforgettable memories and affirming the importance of community.

Expanding Our Reach: Launch of the Middle School Program

This year marked a major expansion of our programming with the official launch of our Middle School Initiative. Designed to support early adolescent development, identity, and leadership, this program creates a bridge between elementary success and high school readiness. Our team has been inspired by the enthusiasm and potential of our newest young scholars.

Welcoming New Leadership: Board Expansion

We were honored to welcome two dynamic leaders to our Board of Directors:

- Christian Lee, representing Cal Coast Credit Union, brings a deep commitment to financial literacy and community investment.
- Paul Batta, of Batta Fulkerson Law Group, joins with a passion for youth advocacy and justice.
- Their leadership and experience will be invaluable as we expand our mission and deepen our impact.

Prioritizing Wellness: Launch of LiveWell YAP

We proudly introduced LiveWell YAP, a new initiative focused on the holistic well-being of our students. Through wellness workshops, mental health education, peer mentorship, and healing-centered spaces, LiveWell YAP is creating a culture of care that empowers students to thrive emotionally, mentally, and physically.

We'd like to thank all our donors for their *generous support*
